

2011-2012 Verification Worksheet

Federal Student Aid Programs

Independent

In this verification process, we will be comparing information from your financial aid application with signed copies of your and your spouse's (for students who are married) or your parent(s)' (for dependent students) 2010 federal income tax returns, schedules, and W-2 forms or other financial documents. By law, we have the right to ask you for this information before awarding federal aid. We must review the requested information under the federal financial aid program rules (CFR Title 34, Part 668). If there are differences between your application information and the verification documents, we will make the corrections and send the required changes electronically to the federal student aid processor, to have your information reprocessed.

What you should do

1. Collect signed copies of your and your spouse's 2010 federal income tax returns, schedules, and W-2 forms. If you need to request a copy of your tax return, call the IRS at 1-800-829-1040.
